

# *Honour and Salute...*

**those in our Wairoa district who served and those that died in World War One 1914-1918.**

These Wairoa men and women will be memorialised on a multi-media  
Touchtable based at the Wairoa Centennial Library –  
a digital and photographic archive of our World War One veterans.

The SALUTE WAIROA Touchtable will be our first World War One district memorial ...  
a commemorative taonga, a lasting tribute to the people behind the names  
that have never appeared together on any memorial.

Compiled by SALUTE Wairoa researchers, this register is a work in progress –  
a community project that will be completed in 2017.

*Help us put the faces and stories to these names,  
to keep the memory of their contribution and sacrifice alive.*
