Submitting photographs, letters, diaries and other printed material

If you have any photos, letters, diaries or other war-related material that you would like to contribute to complement the above information, please allow us to scan it and return it back to you along with a copy of the finished record for your inspection.

Please note: The Wairoa Museum is happy to discuss the donation of any of the original items outlined above.

Photographs

Where possible, we would prefer the original photo or a good-quality reprint (not a photocopy) sent to us to scan. Please include as much information, in pencil, as you have on the photo or image (e.g. name/s, location, date, cemetery or memorial).

If you are using a digital camera to photograph a grave or memorial, please use the camera's highest resolution and send the image to us in JPEG and, if possible, TIFF file format.

Send the image/s to the following email address: sue@salutewairoa.co.nz or we can arrange for a scanner to visit your home.

Letters, diaries and other printed material

Again, we would prefer the original to scan, but a good-quality photocopy would also be acceptable provided it is legible enough for us to transcribe.
